Toni

... has a kind & sweet spirit that has been instilled in our daughters through loving guidance.

... time with our children was always fun-filled & constructive.

Very warm and loving toward children and helps them develop a positive self-concept.

Karla

There was always creativity in my daughter's care, including outside activities in all seasons.

# Your source for occasional child care

## Options in occasional care...

One of the most difficult types of child care to find is occasional. Most professional caregivers want big money to supplement the short hours or want more days than you need. For YOU — Childcare Extraordinaire LLC offers occasional child care in 4 hour time slots to purchase as a certificate and then to use at your discretion.<sup>1</sup>

<sup>1</sup> All 4 hours are scheduled on 1st call 1st serve basis and excludes holidays & holy days.

## Benefits for you...

- ★ **Your choice** — you choose your 4 hour time slot and date for service.
- ★ Knowing your children are participating — activities are created with their ages and interests in mind. The Governess has a degree in Child Development and years of professional experience.
- ★ **Help around the house** — the Governess can engage your children to assist her with meal prep, folding laundry, vacuuming, or tidying up the house.
- ★ Feel **secure** — there is no objection to the use of Nanny-cams in common areas. The Governess is trained in CPR and First Aid.
- ★ **Confident** — you hired a company you can count on being there for you.
- ★ Save money — nominal registration fee.
